

The Pheasant Memorial Laboratory Publications List

(Last update: December, 29 of 2017)

This document includes the complete list of publications of Pheasant Memorial Laboratory together with the link to the publication. The publications have been organized by years from the creation of the group on 1992. Please notice the last update timing, the update of the document will be done at the end of the year. For current year publications available so far, please refer directly to the publication list in the PML website.
